## RiskPlus Corporate Travel Insurance For travels to risk and war zones

### Who is RiskPlus insurance for

- for engineers, technicians and workers travelling to work in risky or war-torn countries (construction of refineries and other technological units, management of air and helicopter fleets, etc.)
- for trading companies exporting to African and Middle Eastern countries
- for missionary and humanitarian workers operating in countries with unstable political, sanitary or security situation
- for war correspondents and photographers

### Why is RiskPlus an interesting choice

- Our comprehensive war zone insurance covers all major risks that may occur in the destinations.
- Assistance services are an essential part of the insurance, which we provide in view of the local conditions also in risk areas and war zones.
- Our own Euro-Center worldwide assistance service is ready to actively help 24 hours a day, 7 days a week.
- We start preparing „backup scenarios“ as soon as your employee reports his/her trip.
- You have access to our „ERV travel&care“ application with the current safety and health situation in the planned destination (in this application or on the Ministry of Foreign Affairs website you can also find out whether your destination is currently in risk or war zone).

### The only travel insurance specialist

- We have our own network of assistance centres on every continent.
- We have experience in providing assistance in risk and war zones.
